

TABLE OF CONTENTS

Advanced MSK Ultrasound of the Shoulder eLearning

| CHAPTER | LECTURE | TIMING |
|--------------------------------------|--|---------|
| Long head of biceps tendon | Long head of biceps tendon anatomy | 0:06:13 |
| | Long head of biceps tendon sonoanatomy | 0:05:46 |
| | Long head of biceps tendon scanning - transverse | 0:03:38 |
| | Long head of biceps tendon sonopathology | 0:11:36 |
| Rotator interval | Rotator interval anatomy | 0:03:50 |
| | Rotator interval sonoanatomy | 0:04:32 |
| | Rotator interval scanning - transverse & longitudinal | 0:03:09 |
| | Rotator interval sonopathology | 0:06:49 |
| Pectoralis major & Lattissimus dorsi | Pectoralis major and Lattissimus dorsi anatomy | 0:02:46 |
| | Pectoralis major and Lattissimus dorsi sonoanatomy | 0:03:50 |
| | Pectoralis major and lattissimus dorsi scanning - longitudinal | 0:02:34 |
| | Pectoralis major scanning - transverse | 0:01:44 |
| | Pectoralis major and Lattissimus dorsi sonopathology | 0:05:38 |
| Subscapularis | Subscapularis anatomy | 0:04:08 |
| | Subscapularis sonoanatomy | 0:05:38 |
| | Subscapularis scanning - longitudinal | 0:03:20 |
| | Subscapularis scanning - transverse | 0:02:14 |
| | Subscapularis sonopathology | 0:08:52 |
| Coracoid process | Coracoid process anatomy | 0:08:11 |
| | Coracoid process sonoanatomy | 0:07:52 |
| | Coracoid process bonescanning - transverse & longitudinal | 0:02:14 |
| | Coracoid process muscles scanning - transverse & longitudinal | 0:04:04 |
| | Coracoid process ligaments scanning - longitudinal | 0:04:30 |
| | Coracoid process effusions sonopathology | 0:08:24 |
| | Coracoid process miscellaneous sonopathology | 0:06:36 |
| Supraspinatus | Supraspinatus anatomy | 0:08:56 |
| | Supraspinatus sonoanatomy | 0:10:26 |
| | Supraspinatus tendon scanning - transverse | 0:04:57 |
| | Supraspinatus tendon scanning - longitudinal | 0:03:24 |
| | Acromial impingement scanning - longitudinal | 0:03:08 |
| | Coracoacromial impingement scanning - longitudinal & SAX | 0:04:14 |

| | | |
|---|--|----------------|
| | Coracoacromial impingement scanning - transverse | |
| | Supraspinatus muscle scanning - transverse | 0:03:45 |
| | Rotator cuff calcification sonopathology | 0:06:08 |
| | Supraspinatus tendinopathy sonopathology | 0:05:39 |
| | Supraspinatus impingement sonopathology | 0:06:00 |
| | Supraspinatus tears in general sonopathology | 0:04:54 |
| | Supraspinatus Partial tears sonopathology | 0:06:24 |
| | Supraspinatus FTPW & complete tears sonopathology | 0:05:14 |
| | Supraspinatus muscle sonopathology | 0:08:24 |
| | | |
| AC-joint, SC-joint & Clavicula | AC-joint SC-joint Clavicula anatomy | 0:04:42 |
| | AC SC Clavicula sonoanatomy | 0:10:14 |
| | AC joint scanning - longitudinal & SAX | 0:04:05 |
| | SC joint scanning - longitudinal | 0:01:56 |
| | Clavicula scanning - transverse & LAX | 0:01:35 |
| | AC-joint sonopathology | 0:07:31 |
| | SC-joint Clavicula sonopathology | 0:03:46 |
| | | |
| Infraspinatus & Teres Minor | Infraspinatus & Teres Minor anatomy | 0:05:44 |
| | Infraspinatus & Teres Minor sonoanatomy | 0:07:16 |
| | Infraspinatus & Teres Minor scanning - longitudinal | 0:02:49 |
| | Infraspinatus & Teres Minor scanning - transverse | 0:03:13 |
| | Infraspinatus & Teres Minor tendon sonopathology | 0:06:26 |
| | Infraspinatus & Teres Minor muscle sonopathology | 0:06:08 |
| | | |
| Axilla | Axilla anatomy | 0:04:35 |
| | Axilla sonoanatomy | 0:06:16 |
| | Axilla scanning - longitudinal | 0:02:16 |
| | Axilla scanning - transverse | 0:01:10 |
| | Axilla sonopathology | 0:03:53 |
| | | |
| Glenohumeral joint | Glenohumeral joint anatomy | 0:04:42 |
| | Glenohumeral joint sonoanatomy | 0:08:50 |
| | Anterior glenohumeral joint scanning - longitudinal | 0:04:16 |
| | Posterior glenohumeral joint scanning - longitudinal | 0:04:10 |
| | Inferior glenohumeral joint scanning - longitudinal | 0:02:18 |
| | Superior glenohumeral joint scanning - longitudinal | |
| | Glenohumeral joint sonopathology | 0:07:30 |
| | Frozen shoulder sonopathology | 0:08:58 |
| | | |
| | Total time | 5:34:00 |
